Ms. Lorraine Williams, Principal

Ms. Jacqueline Butler, Assistant-Principal

The Early Literacy Program

We would like to invite all members of the community with children aged 0-5 years to join us at Cape St. Francis Elementary School for our biweekly Early Literacy sessions. This program is aimed at helping parents and caregivers build their child's literacy skills through a variety of interactive activities, read-a-loud sessions, activity sheets, games, and a book exchange. The sessions are held every second Wednesday, from 7pm to 8pm at Cape St. Francis Elementary School, 31 Satellite Rd., Pouch Cove. For more information drop by our next session or call the school at 335-2962 and ask for the Early Literacy Team. Come visit with other parents, speak with educators, and join the fun. Hope to see you there!

Nov. 27 – Exchange session
